**1000235072**

Dear DELA CRUZ, NORVIN NIMIEL GAN :

Congratulations!

It is with great delight to inform you that out of the thousands who applied for DLSU college admission, you made it as one of the top performers. With this achievement, you are automatically awarded the Archer Achievers Scholarship and will receive 100% waiver on tuition and fees. You are also automatically exempted from foundation courses that are required in the freshman curriculum.

As an Archer Achiever, you may choose to undergo a screening process to qualify for the Star Scholars Program, DLSU's premier scholarship that includes other privileges such as close mentoring of University Fellows and straight scholarship up to law, medicine, or other graduate programs. Those who will not be chosen for the Star Scholars Program may be placed under the Gokongwei Grants, which is for those pursuing Engineering programs or the Vaugirard Scholarship Program, for those who graduated from public and science high schools.

As mentioned in your acceptance letter, you are qualified for admission to DLSU Manila Campus to the undergraduate program

**BS-AEFBS IN APPLIED ECONOMICS MAJOR IN FINANCIAL EC (BS-AEF)**

The scholarship grant will take effect only in Term 1, AY 2021-2022, which will start in October 2021. If you choose to enroll for Term 3, AY 2020-2021 in June 2021, you need to shoulder the tuition and fees for that term.

We are excited to have you as part of our growing network of leaders and achievers who are changing the world with their Lasallian education. A DLSU scholarship is more than having the benefit of free tuition. It's also a discovery of exciting opportunities to develop your talents in meaningful ways. It is a story of empowering individuals and communities and creating genuine change for the country and the world.

I wish you all the best as you begin your Lasallian story. See you at DLSU!

In St. La Salle,

**BR. BERNARD OCA FSC**
